**SPOTLIGHT**™

*February 1st, 2021*

The St Martin Chamber will be hosting its first “CCISM SPOTLIGHT” on March 5th and 6th, 2021 under the “I LOVE MY BUSINESS” label. This event aims to highlight local talents.

Open to all registered entrepreneurs and/or businesses in St Martin, they will be able to present, sell and/or test their products and services in a tradeshow format at the Maison des Entreprises in Concordia.

The theme chosen for the first edition is “THE FEMALE ENTREPRENEUR” thus announcing the CCISM’s FEMININ EXCELLENCE project.

Over the two days, a morning will be devoted to students of the island selected and accompanied by their teachers in order to allow them a privileged moment of exchange around entrepreneurship. The second day is open to the public in the tradeshow format.

Registration is done exclusively via the CCISM website [www.ccism.com](http://www.ccism.com)
